Spring 2009 Herd Inventories

It is time to update your Spring Herd Inventory!

We encourage you to update your Spring Inventory for the 2009 calving season, on-line under Member Data - REDS.

In the past, we have mailed the paper report to all members with active animals on the Spring Inventory. **We will no longer mail inventories to all members.**

If you would like the report mailed to you, please let us know as soon as possible.

Inventories should be updated no later than February 8, 2009.

To Do Check-List

- Inventory should include females calving January 1 - June 30.
- Add any animals not found on the inventory, which will be calving with your Spring herd.
- Mark disposal codes for animals that have been disposed.
- Indicate any changes to calving season - Spring to Fall.
- Have questions or need assistance, contact the Registration Dept.
- The inventory is used to determine your Spring Herd Assessments for 2009 which will be billed in July. Only animals of assessment age (females 16 mos., bulls 30-mos.) are billed.
