

1874 Custom Hartford military rifle, 45-70 caliber

Fischer Red Angus and Laubach Red Angus are honored to offer a custom-made C. Sharps Arms rifle which will be put up for auction Friday, September 13, 2013, at the Red Angus banquet.

The C. Sharps Arms Company, located in Big Timber, Mont., is well known for manufacturing world-class rifles. This particular rifle is made with an extra special touch just for the Red Angus National Convention and is one of kind. It is an 1874 Custom Hartford military rifle, 45-70 caliber, Hartford collar with silver nose cap that has a French grey finish receiver group and is made with presentation American walnut.

The special engraving will represent this 60th Red Angus Convention.
