3 Day Symposium - \$185 (through March 24), \$285
Convention Hotel Information:
Crowne Plaza 1-800-627-6461

CONTRIBUTE

Roy Wallace BIF Memorial Fund

In memory of Roy Wallace, a man who dedicated his life to improving beef cattle and the lives of the people that raise them. Roy's passion for the beef industry will live on by enabling young people with the same passion to pursue careers in the beef industry.

Roy Wallace
1944-2008

To contribute, visit www.beefimprovement.org and click on *award winners*.

"No organization or person has had as profound of impact on my life as a cattle breeder or seedstock producer as BIF and Roy Wallace. Without a doubt, cattle breeding would not be nearly as advanced without BIF. Your attendance in Houston and donation to the Roy Wallace BIF Memorial Scholarship fund is absolutely essential to the continued success of BIF."

~ Craig Bieber, Bieber Red Angus, SD

"Roy Wallace never missed a single Beef Improvement Federation conference from the inception of BIF in 1967, until his untimely death in 2008. Roy Wallace was my mentor for over 36 years on principles of how to improve Beef Cattle Genetics. BIF enjoyed the leadership of Roy Wallace for decades. No person or organization has promoted the improvement of our industry more than Roy Wallace and the Beef Improvement Federation."

~ Mark Gardiner, Gardiner Angus Ranch, KS
