

Majestic Meadows' Cream-Off-The-Top-of-The-Tank

We don't plan on making a habit of this but, due to overwhelming success with IVF and conventional flush work this winter, we will be offering fall heifer calf pregnancies and several eggs from the heart of our program. Almost every cow family is represented – both black and red.

Share in the Pursuit of Perfection.
Sale will be online on **Angus Live** closing **June 4, 2013**.

Embryos too numerous to list – both black and red – including full sibs to the Majestic Lightning daughter and 2013 NWSS Grand Champion Female,

JK Lulu, whom half interest recently sold for \$20,000.

Full sister to Majestic Girlie Girl Z206, the Silver Spur selection from our fall sale. Denver champions top and bottom!! Pregnancy due Sept. 2013.

The very first OHRR 63G Adv Mahogany 56N progeny to sell at Majestic Meadows. We've made a habit of identifying the best cows we can find and pursuing them. Rumor has it this heifer calf pregnancy, by Sideways will be a maternal sister to our best heifer calf at our ET cooperators.

The now deceased BJR Windsong 2269. A great and prolific

donor that will certainly leave an indelible mark on this breed. A prolific egg producer until her untimely death. This heifer calf pregnancy by 3 Aces Sideways will be one to build your program around. Due October 24, 2013

Triara Enamel 894U – Same thing here. We found the best black cow we could and made her the cornerstone of the re-invention of our black program. A heifer calf pregnancy by Dameron First Class will sell due Sept. 2013.
