**Selling 16 Red Angus Show Heifers and Donor Prospects**

**Seeing is believing!** Don't miss this opportunity to see your future with a show heifer/donor prospect from Silver Spur Ranches. Visitors and customers tell us we have assembled one of the most powerful Red Angus cowherds in the country. This online offering will be your opportunity to select a heifer from the herd that produced the 2013 NWSS Champion Pen of bulls AND heifers, 2012 NILE Champion female and 2013 NJRAE Champion Percentage heifer and other champions across the U.S. It's not by accident that these heifers are stout, big-ribbed, fresh, sound and will make both show and cow prospects... **we have a DESIGN in MIND.**
