

Bieber Fever VIII!

BECKTON EPIC R397 K Reg # 1042135

This is the second year we are offering Epic sons. Epic has consistently sired extra bone and performing power to his progeny. His sons are some of our thickest progeny and they have been very well accepted by cattlemen. He has become a predictable sire for producing high growth progeny. Semen available thru ABS.

BIEBER REAL MCCOY Y124 Reg # 1436794

Much like his sire Hughes, Real McCoy is siring consistent calves with extra power. He sires big boned cattle with a lot of raw power. Throw in Real McCoy's cow family and he offers a very complete genetic package. Expect power cattle with extremely good maternal traits. Real McCoy semen is available thru Accelerated Genetics.

BIEBER H HUGHES W109 Reg # 1311331

Hughes has made a big impact on our program the last couple of years. Hughes is a sire that is being used on a national basis via AI and has topped multiple sale offerings. What makes Hughes really shine are his females. They are very feminine with a loads of capacity while staying very functional and we think they will make great cows.
