Bieber Adelle 184B was selected by the Johnsen's as the top heifer out of Bieber's replacement heifer pen in 2014. Adelle 184B's dam is in the donor pen at Biebers and comes from the famed cowline that produced Bieber Makin Hay 9913 (Accelerated Genetics), Bieber Rough Rider 10712, Bieber Outrider W388(Select Sires) and Bieber FAF Rollin Deep B627(Green Mountain Red Angus). No cowline in the Red Angus breed has had the kind of impact Adelle has had on the breed. The opportunity to pick from Bieber's offering doesn't happen often and this heifer is the epitome of Bieber's program. Adelle 184B is bred AI to Bieber Federation B544, one of the high sellers at Bieber's 2015 spring sale, selling to Bachman Red Angus, MO.

AI bred and confirmed by ultrasound to Bieber Federation B544 Reg#1689752. Due March 15th, 2016.
