

2015 Kansas Red Angus Field Day

The 2015 Kansas Red Angus Field Day will be held on Saturday, August 29th, hosted by the Joel Wimer family and crew at C&W Ranch, located southwest of Salina. Registration will begin at 12:00 PM. A complimentary hamburger lunch will be provided by the Kansas Junior Red Angus Association.

Representative load lots of C&W Ranch Red Angus cattle groups will be trucked in to the headquarters for easy viewing. We will tour through the close-in traps and discuss the cattle and ranching operation. After the cattle tour and a short break, we will have a very educational slate of speakers to enlighten us about current marketing efforts and research that favor Red Angus cattle.

This will be followed by the KRA Annual Meeting conducted as usual. All members and non-members are welcome to attend. A complimentary dinner and entertainment will round out the day's events.

Inquire about overnight lodging rooms available at the C&W Ranch Bed and Breakfast Inn.
