**Lot 16, Majestic Allgood B37**

Any guesses why we named him Allgood? He's crazy good on paper, too, with a 0.0 to 112 birth-to-yearling EPD spread, great dark foot, good legged and sound. He's out of one of our great young cows and sired by 3 Aces Sideways. He has an actual birthweight of 74 lbs. Allgood is calving ease that can't hide behind a fence post! Retaining 1/3 semen interest.

**Lot 14, Majestic Heavy Shot B23**

As his name implies, you won't find a better footed, sounder, big bull anywhere. He has not been scanned yet, but he would scan a huge ribeye. He has a super disposition! He's not halter broke but turn him out on some heifers, get him in when it gets hot, ring him and take him to town and win all the marbles – or just turn him out on the cows after the heifers. He's that sound, big footed and big nutted!
