

DONATION SEMEN AUCTION

GENETIC LEAD TIME

*Buy semen from your pick of the "Headliners"
from our upcoming 41st Annual Bull Sale*

For the first time, we are making this unique opportunity available to buy semen from some of our top young bulls prior to our auction. This unprecedented opportunity is only because our son, Lanham, and his golf team need funds to go the state tournament. Buy this and take advantage of the genetic lead time for your herd with some of the top sires in the industry. Over 20 of the leading **Red Angus Sires** have walked on this ranch. We are selling 2 packages of 10 straws – buyers choice from any of these four bulls that are scheduled to highlight our 41st Annual Bull Sale on Wednesday October 14, 2015.

We are selling buyers choice. Top bidder has the option to purchase both packages. Bid price is per straw (bid price x 10 = total purchase price for each package). You may bid by emailing: kelli@rabrownranch.com, texting 940-256-0785, or in the comment section of the this ad on the R.A. Brown Ranch facebook page. Bidding will conclude at 7 pm Central on Monday night (April 27). The highest bid at that time will select which bull they want and then the second highest bidder will choose theirs.

DONATION SEMEN AUCTION RARE & VALUABLE

G A R QUANAH has made a name for himself siring some of the top selling Angus genetics in the country. Lucky for me (and our golf team), we recently found a few more straws in storage and Donnell agreed to let me auction off 10 straws for this fundraiser. Quanah needs no introduction. He was the first bull in the ring at Gardiner's Annual Sale and although we lost him at a young age, he has continued to be a dominate influence in the breed. His progeny have topped our bull sales in Angus, SimAngus and even Red Angus. Semen is very limited but has been selling on the retail market for \$100/straw. Here's your chance to not only bank these genetics but help our son, Lanham's, golf teams go to the state tournament this week.
