Grand Champion Female

Red Lazy MC Trooper 21Y  
2014 National Grand Champion Bull

*This sexed heifer calf pregnancy is a culmination of all the best attributes available to the industry today.*

Majestic Peek A Boo X19 was the 2011 NAILE Grand Champion Female. The daughter of the legendary sire Majestic Lightning 121 SGMR is from the Meado-West Peek-A-Boo cow family that has paced the breed for years in terms of show ring champions. Years of selective breeding has created this beautifully designed and perfectly crafted female that is becoming one of the most important members of the Peek-A-Boo cow family. Phenotype and genotype are harmoniously merged into this brood matron of international acclaim and stature.

This heifer calf pregnancy is sired the 2014 National Grand Champion Bull, Red Lazy MC Trooper 21Y. This popular breeding bull is siring some of the most consistent and alluring progeny born into the breed. With this mating, two of the most dominant lines of Red Angus seedstock are genetically stacked into a perfectly blended individual. With the entire Majestic Meadows herd now a part of the J6 Farms program, the genetic strength of the J6 operation is now gathering steam for the future.
