

Bieber Fever XII!

BIEBER ROLLIN DEEP Y118 1436844

Rollin Deep Y118 is a powerful sire that does the cowman things right. His pedigree is well known for producing power cattle with exceptional feet, udders, and fleshing ability. Rollin Deep's dam, Bieber Tilly 397W has become a centerpiece in our ET program. His sire, Bieber Roosevelt has become a cornerstone to our commercial customers producing thick cattle with great dispositions. Rollin Deep Y118 is the kind of bull that can leave a positive impact on the breed for years to come. We weaned a little over 120 progeny this past fall, and have over 50 daughters in the herd. Rollin Deep is a sire that produces great phenotype, power and makes balanced cattle with the ability to block, breed back, stay sound and productive for the long haul. We have always believed that through focused selection you can breed cattle that have it all. Every year we feel we are getting a bit closer. Rollin Deep has been widely used with many breeders reporting outstanding progeny with great success.

LOT 6 3536805

ROLLIN DEEP X HIGH NOON: Rollin Deep is an outstanding sire. We rarely go back and use a sire, but High Noon is one whose data warrants a look. His daughters were outstanding, and his disposition was excellent. High Noon still ranks in the top 1% of LCOG data for profit. Lot 6 is easy to find and will be a favorite on sale day.
